Told me about the  
memo he did for MacLennan  
on the MCF. Dec 64. W/H  
was "ecstatic" about it because  
it was designed by the two  
rival camps, pro- & con-MCF.

or 65?  
probably

Also told about the  
ready work required on my  
to do a report on what Europe  
was like in '45. This was  
to W/H in a.m. Section of it  
was used by W/H in a speech  
late that morning.
